ASH

Snake Charmer

PHOTOGRAPHY BY MATTI KLATT

The snake is perfectly harmless, but Ash doesn't know that. She's deathly afraid of snakes and when this one pokes its head through the door of the cage in which she's been bound naked to further ornament the lush garden, she shrinks back in terror, much to the amusement of the guests. Her torment will entertain them at lunch. With the slithering reptile nearby, Ash is ever so compliant, offering her tender tit tips to the crushing clamps and raising her wrists to the dangling rope. She'll be whipped now, and they'll all get a turn, but the searing bite of the lash is barely a distraction as the snake handler casually drapes the phallic constrictor around her waist, where it slowly constricts her quaking guts. Ash is especially still and obedient under the whip, but that doesn't spare her the thing she most dreads. Feeling the cold, clammy, hissing boa tighten even briefly around her neck freezes her like a lovely piece of statuary, too scared to twitch. But there's worse to come. Tied in the chair, legs open, a heavy chain pulling her cunt lips apart by her labia ring, she feels the creature working up her thigh toward her vulnerable slit. Ash screams and pleads, and when the animal is finally lifted off her, she willingly squats to pee in terror for their entertainment. Through lunch they take turns whipping and stick-fucking her, but for desert she'll be passed among them for more personal use.

There's more than one serpent in this garden.

When did you start fetish modeling, and under what circumstances?
I started modeling in general around five years ago. Since then, I have begun to get more involved in fetish modeling. I really enjoy exploring that side of myself.

How did you become aware of your kinky or fetishistic side?
Through sex, actually. I started to date guys who enjoy kinky sex—some bondage and domination, you know, sometimes golden showers—and discovered that I have a big taste for kink. I also love to submit, so I was happy to accommodate.

Do you wear fetish clothes in public?
Not really. I usually dress pretty casually when I'm out in public, but somehow I always manage to show my nipples and piercings. Is that a fetish? I guess I really like people to see my boobs. So I have a pretty big exhibitionist streak, and couldn't exhibitionism be considered a fetish?

Have you ever scened in public?
That depends on how you define "scened." Have I shot an adult scene in public? Have I ever been naked in public? Have I ever had sex in public? The answer to all of these questions is yes, yes, yes!

Are you dominant, submissive or a switch?
100% submissive. I find great joy in surrendering myself to another person.

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?
My sexual boundaries are constantly changing. In the past, I just wasn't aware of how many varieties of sexual activity there are to enjoy. But these days I'm always discovering something new. And yes, I have learned to enjoy many things that I never thought I would try, let alone like.

Do you like rough sex?
I do like it, yes! I very much enjoy being called a slut while someone is slapping my face or ass or choking me.

How do you feel about anal sex?
I think the internet provides ample evidence that I am no stranger to anal sex. LOL.

Do you get requests from your fans/followers for pantyhose? Stockings, shoes, etc.?
I do receive some requests to shoot videos of myself playing with those things, but not all that often, and most of my fans don't request such material.

Do you like attention to your feet and legs?
Sure, I like it, but really, I focus more on the other person. I love guys' feet—most of the time, anyway—and also their legs. If I'm at a beach, I'll notice a man's legs first…and then my eyes move on up. And if I'm really into a guy, I'll massage his feet and legs and kiss them. It makes me so horny.

Why did you want to shoot for TABOO Magazine?
I enjoy exploring my submissive side, and I love to experience new things. Plus, the photography is pretty damn hot.

What was your favorite part of the photo shoot?
Having hot wax dripped all over my body. Jesus, that was wild!

CUM ON, BIG BOY...SATISFY UR CURIOSITY WITH A SMOKIN' HOT SHEMALE!

Scar's beauty makes her a sensation in the underground rings, where leering, cheering crowds bet whatever they still have for the privilege of watching her fight other naked girls. Her lean body carries the "souvenirs" of her livelier matches, and the jeweled piercings aren't the only rewards she takes away from the sex-slave gig. Comes in handy, having no gag-reflex, sphincters that open on command and a hair-trigger orgasmic response. Scar needs every advantage to get by in a shot-to-hell world where the lights have gone out for good. All she trusts are her own instincts. And The Dog's. He's been in a few scraps himself. If he likes you, you've got a shot with her. If not, not.

Scar's secret is how much she likes to give it up. She can be oh-so-sweet to the respectful stranger, letting him see everything others dream about. Riding out from Hellsville in the miracle car that still runs, she strips down and rolls on the rubber gloves and stockings. Now she needs to piss, had to for a while. He can watch her pee, if he'd like, and watch her fuck herself with a shiny buzz-toy, or pack her well-schooled ass with pleasure-balls. Gloved fingers languidly popping the balls out one at a time, she offers him a choice of sockets, promising a hot, wet center in each. A girl's got to have a little soft spot someplace.

OPENING NIGHT

Fiction by Evangeline Gordon

PHOTOGRAPHY BY KEN MARCUS

Emily waits for me patiently, kneeling at attention on the hard floor of the playroom, daring to raise her eyes for an admiring glance at the purple rubber dress I've picked out for the occasion. After all, dressing up for each other is part of the foreplay that precedes our couplings. We both love the feel of the greased, skintight costumes compressing and displaying our solid curves for one another. I won't deny the dirty delight I take in her fetished-out look and she can't deny hers in mine. And I never had a slave with so sweet and yielding an expression. If ever a girl was born to serve, that would be my Emily.

Emily knows how to show me just what I want to see, or so she thinks. I do love the way she looks in a few strategic scraps of tight latex, and she does know her protocol, kneeling with her back straight, her legs spread, her tits out and her hands open on her knees. She presents herself in my cozy dungeon right on time, a coy and inviting look on her face and what I know to be a squelching-wet box under her tiny G-string. She gives me everything because she knows I can return her gifts. Pretty thing that Emily is, most men and women who seek to dominate her end up treating her like a porcelain doll, which is the last thing either of us wants. I know she needs to be pushed hard toward her limits, and that is my territory. I too may look sleek in clinging rubber, and I pride myself on my cool and pleasant manner. I'm not one of those Mistresses who needs to bark and kick to get her way. A sinister purr and a willingness to demand the unexpected work just fine for me, which is why Emily always comes back. She doesn't require scolding to be a good girl, only the will and skills to take her someplace where her obedience is a real challenge. My whip under her chin as she looks up into my eyes with fear and anticipation is all the reminder she needs. Still, I let her feel the leather on her smooth, creamy tits just to underscore the point.

Tonight I will make Emily naked for me as she has never been before, starting with a quick jerk on the tiny bra to pop out the luscious mounds I love to hurt so well. By no means the delicate pillow princess she appears, Emily doesn't blink at the hard pressure of my fingers crushing her nips. They just get hard as she does her best to perch still on the lucite stool. I have to really tug to get a good gasp out of her. Unless Emily knows I'll hurt her, she can't really go there. She's that kind of girl. A harsh twist brings an actual yelp. Emily may be tougher than she looks, but she's far from insensitive to my touch.

Of course, her look of distress quickly turns to pleading desire when my other hand strays to her crotch. Emily wets up easier than any girl I've ever known. I like that about her, just like I like the way she struggles to stay in position with her hands behind her head on the bondage chair while I squeeze her slender throat and probe her pink parts with a hand that knows where every tender spot hides. Two digits hooked under her pubic bone and rubbing her G spot produces a rueful look of resignation. She'll do anything for me and we both know it. My tongue on her still-aching nipples raises acres of goose flesh and elicits panting and moaning instantaneously.

Time to get serious about hurting my girl. First the ropes, pretty purple cinches rigged to keep her thighs spread wide for easy access to that delicate, little slit for which I have a special plan tonight. First, though, I want her suffering, and for Emily nothing produces quite the same misery as clover clamps. Those big, engorged nips can hardly stand the relentless pressure, but she takes it for me like everything else. I love it because she hates it so. I watch her tit tips swell and turn purple, tugging the chain occasionally to hear her squeal and beg me to fuck her, which is Emily's way of signaling both her hunger and her distress. Patience, my dear slave. First, I have something to show her. Emily's eyes open saucer-wide at the sight of the big, steel speculum. In her tiny voice she implores me. She's so small and it's so big. I assure her it will fit nicely. And just to make it more memorable, I've left it to chill in the refrigerator for the past hour. Emily stiffens and gasps as I slide it in slowly, the nipple clamps made even more painful by the inevitable tightening of all her flesh against the cold metal. Of course, she's so juicy there's no resistance when I work the cruel tool in deep, cranking it open slowly until her inner membranes are fully exposed. Nothing goes better with physical suffering than mental humiliation. I love the flower-like lushness of Emily's insides, but to her I know this is a hell of embarrassment as the shiny secretions flow from her depths.

Surely she's earned a little reward for taking it, so I let her tongue my tits while I tug the chain tormenting hers. Her lips are always so skilled at arousing me, but we'll both have to wait until my plans are realized. Pulling the instrument suddenly from Emily's gaping snatch, I release the ropes and order her to offer me her backside. Time to warm the rear as I chilled the front. I have a hard hand and do not use it lightly, smacking away at her firm butt cheeks, watching her flesh ripple under the impact. Emily likes this and makes no secret of it, rocking back and forth, arching up to meet each swat. Whips are well and good, but I've yet to meet a good slave girl who didn't enjoy the impact of a solid spanking on her twitching tail. She's so cute, trying not to come without permission from sheer percussion, I can't resist tonguing her tiny asshole. She tries to pucker in embarrassment, but Mistress will not be denied. All her anatomy is mine to do with as I please, for pain or pleasure at my whim. Moving down, I apply my tongue to her wide-open cunt, savoring the slickness of the surfaces I've so completely exposed.

It's not long before Emily begs permission to come, and I have every intention of letting her, but not just yet and not in this way. Instead, taking her right to the edge, I make her stop and wait, standing patiently so I can spin my web of ropes around her wrists and elbows, fusing them and lifting them behind her. A bit of hoisting and she's bent forward, tits hanging, in a straining strepado. She may be thoroughly uncomfortable by now, but my hand still slides easily into her wet fuckhole. Obviously she's not all that distracted by her stressful situation.

Of course, I have a distraction in mind to challenge the predicament of her bondage. Hearing the sound of my harness buckles, Emily knows what, and who, is coming and why I took the trouble to open her depths so thoroughly when we started. I have something to plug into her luscious socket. Her helplessness makes the prospect all the more enticing. I bring the long, pink strap-on around to her face for a good look. It's a new one, longer and not quite as thick. I want it deep in her holes, starting with her mouth. She tries to get it wet for me ever so daintily, but we're past that phase now. I can feel my own heat and wetness building under the rigging. Slowly and relentlessly, I press the dildo in past her full lips and hungry, slurping mouth to the very back of her throat. I want her gagging. I want to see her whole body shudder with spasms as long stringers of drool ooze from the corners of her lips. I know she's been fasting in case I want to fuck her ass, so she won't be able to puke even if she wants to, and I throat-fuck her mercilessly until a puddle of spit forms on the floor beneath her chin. The rubber dick finally emerges shiny and dripping. I'm actually being considerate, using her saliva to lubricate it, not that Emily is ever dry.

Moving into position to the rear, I part her cunt lips and slide the tool in slow, hard and deep, first in long leisurely strokes, then building to harder pounding. I know the angles

that work, giving it to her just hard enough to approach the point of real discomfort, then sliding it back to the very entry of her pearly gates. Bound as she is, Emily squirms and twists, struggling to pound back against me. She's no shy flower now. She wants it as rough as I can give it. Holding the ropes for support, causing her to gasp at the sudden increase in traction on her arms, I strike up a relentless rhythm, hammering her until her sweaty thighs tremble against mine with each stroke. I hear a desperate plea for permission and after a suitably rude pause, I give her leave to come. It's quite a show. Dancing like a marionette on strings, Emily twitches and jerks, arms protected from dislocation by my firm grip. Once, twice, three times she thumps back against me, finally going limp after the third wave of violent climaxes. She hangs in the ropes, limp and gasping, smooth skin glistening with sweat, tits heaving from the sheer power of her orgasms. This is the moment of my greatest power of her, guaranteeing that she will always be back to please me again.

And now it's time for the harness to come off and for me to kick back so she can show me all the clever tricks of her talented tongue. Having been opened wide at one end, it's her turn to open herself wide at the other. Undoing the ropes and letting her sink to the floor, I lie back and let Emily crawl to me. I can use a bit of opening myself, and I know she'll give it to me just how I like it. I've trained her for the purpose as only a real Mistress can train a real slave.

CHERRY & BOB

Quick Service

PHOTOGRAPHY BY ANDRE BAYLOCK

Today I draw the white room. I like the way the cold, sterile tiles show off my shiny, tiny dress. The bondage frame is the only furniture, but it will do fine for Bob and me. I knew he'd be first, putting me on my knees and allowing me to greet him properly by stuffing my cheeks with his fat slab. He gets me naked and sleeves my arms together behind me, hauling them up and bending me down to continue my oral attentions. He likes making it a challenge, but his throbbing hardness validates the cocksucking skills at which I excel. I take pride in my work.

Not that this stops him from whipping and biting my tits just because he can. Feeling my swollen hot button, he calls me a dirty name I thoroughly deserve. Spitting on my cunt, Bob hauls me up and shafts me. I wrap my legs around his back to take the strain off my arms and grind against him, strong and slow. Works every time. He does me from behind, tweaking me where he knows it counts until I come loudly, my howling echoing off the tiles. Then I'm back down on my knees, cuffed wrist to ankle, swallowing jet after jet of thick jizz. Without a word, he leaves me dripping, defiled and thoroughly satisfied. A quick hose down and I'll be ready for the next one, but I wouldn't mind if Bob came back later. I like a man who knows what he wants, especially if he wants me.
